

HEART Program

*Summer Partnership with
Juvenile Court Services &
The Department of Human Services*

HEART operates a special summer session of training in partnership with the Juvenile Court Services and the Department of Human Services. Young people give back through service rebuilding community. Students learn deconstruction, framing, painting, mudding, and mortar repair for young people aged 16 and over who have been involved with the Juvenile Courts.

For more information, contact
chris@fourmounds.org.

Right: Participants repair masonry preparation for complete rehabilitation of this historic unit across from Prescott School in Dubuque.

Left: Participants gut the fire ravaged unit across from Crescent Community Health Center along Washington Street.
